Tour Warwick

This delightful low-set brick home, set amongst rural properties, offers the idyllic country lifestyle. It is the perfect place to raise a family, where the kids can enjoy the freedom of space – enjoying bikes, buggies, horses or simply kicking a ball.

The comfortable home is thoughtfully designed for family living, with a large master suite privately positioned away from three of the bedrooms and the main bathroom, separated by spacious living areas.

Ideally located just minutes from the centre of town, this property delivers the best of both worlds – peaceful rural living with all convenience close by.

- Open living, dining and kitchen
- Second living space
